

JCC Handbook

Standardization is the Key to a Joint Environment

Standardized Contingency Contracting Training Module

**10 Dec
2008**

Agile Contracting Support...Anytime...

Current a/o 10 Dec

Anywhere

Standardized CCO training

- Purpose
 - Provide commanders with a comprehensive outline for conducting unit level contingency contracting training
 - Provide the minimum recommended monthly training outline
 - Not intended to be all inclusive/limit individual unit's creativity.
- Handbook is the primary source for all training material
- Follows the same flow of information as the Handbook.

Standardized CCO training

- Unit CCO training may typically consist of at least a one hour block of time broken down as follows:
 - 10 Minutes: Instruction/Briefing of Topic
 - 5 Minutes: Question/Answers from Briefing
 - 15 Minutes: Scenarios/Role Playing
 - 15 Minutes: CCO games or additional scenarios
 - 15 Minutes: Administer/Grade/Discuss Test
- The Handbook's accompanying CD contains multiple Briefings, Scenarios, Games and Tests for each of the topics in the outline below and should be used as the primary source for unit training

Standardized CCO training
